

Three honest answers

When Your Body Keeps Going but Your Soul Is Tired

Take two minutes. Not to plan or to fix anything; just to answer honestly. Keep this page private. You will read it again in Session 10 and on Day 30.

1. Can you remember a time when you felt close to God, not in a service or a meeting, but on your own? If so, what was different then? If not, what are you hoping to experience or understand as you begin this retreat?

2. What is one thing you have kept doing for God while feeling nothing? Do not judge it. Just name it.

3. Elijah said, "It is enough." If you were completely honest with God right now, what would your sentence be?

If you are thinking about harming yourself or may be in danger, do not begin this retreat alone. Contact emergency services or a crisis service where you are, and a trusted person, now.
